Letter dated 15 April 2016 from the Permanent Representative of Burundi to the United Nations addressed to the President of the Security Council

Upon instructions from my Government, I have the honour to inform the Security Council, through you, that, as part of his ongoing consultations with all stakeholders in the peace process in Burundi, the former President of Tanzania and facilitator of the inter-Burundian political dialogue received, on 13 April 2016, a high-level delegation of the Government of Burundi led by Major General Evariste Ndayishimiye, the head of the Civil Cabinet of the President of the Republic. This constructive meeting is an important step in moving forward in the political dialogue process, which seeks, as you know, a sustainable and peaceful solution to the political concerns of all peaceful stakeholders.

I should be grateful if you would have the present letter circulated as a document of the Security Council.
